STATUS INQUIRY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned attorney filed a Petition Under 37 CFR 1.181(a) Requesting Withdrawal of the Holding of Abandonment, copy enclosed, in connection with the above identified application on December 9, 2002. Attached to the Petition were documents, copies enclosed, which evidenced the fact that the undersigned never received a Notice to File Missing Parts which the Notice of Abandonment stated was mailed on November 13, 2002.

The undersigned attorney checked PAIR on numerous occasions and noted that the paper filed on December 9, 2002 has not yet been entered.

Therefore, the undersigned attorney called the PCT Office and was told the application was in the Legal Office but that nothing has been done and it was not apparent whether the Petition had been received.

Accordingly, it is most respectfully requested that the status of the application be reviewed and that the abandonment be withdrawn and a new Official Action be issued.

Respectfully submitted,
BACON & THOMAS, PLLC
